## Safe Communities Coalition

This winter, the Medina County Safe Communities Coalition hosted its 3rd Annual Merry Mocktail Mix-off.

The purpose of the event is to promote a safe and fun way to celebrate the holiday season while driving responsibly.

This allows the community to come together, voting on their favorite non-alcoholic drink created by local agencies, organizations, and businesses.

This recipe book contains all of our participants' step by step instructions and ingredients to perfecting their holiday mocktail.

The Safe Communities Coalition encourages everyone to make a merry mocktail recipe this holiday season to share with friends and family and raise awareness about safe and sober driving.
