

DESIGNERS LIST

SEWAGE SYSTEM DESIGNER LISTING

This list is comprised of individuals who have submitted approved work or examples of approved sewage system designs. The Medina County Health Department makes no guarantee as to the quality of their work. The Medina County Health Department is not endorsing these businesses/individuals in any way. Sewage system designers are not required to be licensed or registered; therefore sewage system installers also may submit designs for approval. Some installers do not design systems. We recommend contacting multiple parties for pricing and to ask for examples of current approved designs.

Contact Medina County Health Department at 330 723 9688, option 3, between 8:00 am and 4:30 pm weekdays with any questions.
