Medina County Health Commissioner Recognized for Outstanding Leadership

MEDINA, OHIO, December 20, 2021 – Medina County Health Commissioner, Krista Wasowski, was recognized by the Ohio Educational Service Center Association (OESCA) for outstanding leadership while providing guidance throughout the COVID-19 pandemic.

“I can think of no one more deserving of this Outstanding Community Leadership Award,” stated Robert Hlasko, Ed. D., Superintendent, ESC of Medina County. “Krista personifies what it means to be a collaborative leader. Her support, guidance, and common-sense approach to the challenges we’ve faced has allowed our schools to continue to provide an excellent education to our students.”

The Health Commissioner was presented with the Outstanding Leadership in Community Service Award at the 35th Annual Capital Conference Brunch and Recognition Program in Columbus on November 8, 2021. The award is given to a select 49 individuals for their exceptional service and dedication to school districts, ESCs, and the broader community.

“It’s an honor to be recognized for this award,” said Health Commissioner, Krista Wasowski. “The Health Department has been extremely fortunate to have the partnerships we do amongst our school districts and their leadership teams as we’ve all worked together navigate the pandemic. I’m thankful for their continued dedication to the families in our community and their support of the Health Department.”
