

Medina County Health Department

Community Health Division

External Posting

Posting Date: August 16, 2019

Close Date: August 26, 2019

Position: Public Health Nurse

Employment Status: Non-Exempt, Full time (40 hrs/wk)

Wage: Hourly, commensurate with qualifications and experience.

General Qualifications (including but not limited to):

Licensed as a Registered Nurse in the State of Ohio; Bachelor of Science in Nursing from an accredited college or university required. Minimum two years of nursing experience required. Experience with Early Intervention/Help Me Grow, home visiting, pediatric nursing, and/or Batelle Development Assessments strongly preferred.

The Public Health Nurse utilizes nursing and public health concepts and theories including epidemiology to provide health promotion and disease prevention services to individuals, families, groups, in a variety of settings. Participates in public health programs including immunizations, communicable disease control, services to children with medical handicaps, health screenings, and selected grant-sponsored programs. May function as lead nurse for selected programs and/or projects.

Essential Functions of the Position include but are not limited to:

- Developmental screening and evaluation
- Health education and counseling
- Care Coordination/case management

Interested applicants should submit a current resume with cover letter **no later than August 26, 2019** to: Human Resource Office, Medina County Health Department, 4800 Ledgewood Dr., Medina, OH 44256; or fax to (330) 723-9659; or e-mail to hr@medinahealth.org. EOE
