

## **Full- time or Part-time Physician/Medical Director (MD/DO)**

**Posting Dates: OPEN:** May 13, 2019 **CLOSE:** Until filled

The Medina County Health Department is currently seeking an experienced, Board Certified General Family Practice Physician (MD or DO) to serve as Medical Director. Must have at least 2 years of clinical experience providing services to all ages and life cycles, as well as at least 1 year of administrative experience. This could be a full-time or part-time opportunity. Preference for work experience in a federally qualified health center, health department or similar setting.

Medina County Health Center in the Medina County Health Department is a Federally Qualified Health Center (FQHC) in northeastern Ohio, providing primary care, dental care, behavioral health, and enabling services to over 2,600 patients annually regardless of ability to pay. The Medical Director plays an important role in the delivery of high quality, patient-centered, and community-based comprehensive primary care. In addition to clinical oversight in the Health Center, the Medical Director is responsible for overseeing the quality of clinical services provided by the Medina County Health Department, such as public health nursing, WIC, and emergency preparedness. The Medical Director provides clinical and administrative leadership for medical providers and clinical support staff, and directly supervises nurse practitioners. The Medical Director participates in the organization's quality program and is responsible for improving clinical metrics related to CMS Meaningful Use and HRSA Uniform Data Set. The Medical Director assists in the development and implementation of clinical policies and procedures. The Medical Director position includes direct patient care responsibilities.

Demonstrated commitment to the Medina County Health Department's mission to prevent, promote and protect. Candidate must be a graduate of an Accredited Physician Residency Program and hold an unrestricted Ohio medical license, current DEA registration and be Board certified or eligible. If Board eligible, must pass exam within 6 months of hire.

Competitive Benefit Package Includes:

- Eleven paid holidays per year
- Paid vacation, sick and CME
- Ohio Public Employees Retirement System
- Malpractice insurance including tail coverage
- Health, life, and other cafeteria benefits

Clinical Experience & Skills Requirements:

- Basic computer skills
- Knowledge of EHR capabilities and functions
- Thorough understanding of patient-centered approach and the fundamentals of value-based medicine

Candidate selection is dependent upon qualifications and experience level. The successful candidate must pass credentialing requirements, a BCI background check and show proof of a valid Ohio Driver's License and insurance prior to employment. Applicants should submit a current Curriculum Vitae (CV), cover letter and references to Human Resources, Medina County Health Department, 4800 LedgeWood Drive, Medina, OH 44256; or fax to (330) 723-9659; or email to [hr@medinahealth.org](mailto:hr@medinahealth.org).
