

Smoke-Free Homes

15,000 home fires occur each year due to smoking products.

Smoking products are a leading cause of home fire deaths.

Benefits of keeping your home smoke-free.

- Decreases the risk of home fires caused by smoking products.
- Reduces the risk of secondhand smoke exposure, especially for children, the elderly, and pets.
- Increases home insurance savings and appeal to future buyers or renters.
- Eliminates lingering smoke odors and yellowing on walls and ceilings.

Quitting smoking is one of the best things you can do for your health and the safety of your family.
